I am a customer of Dominion Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy and I oppose Dominion's recent proposal for the net metering program. As a ratepayer, and as an existing customer, I have a strong interest in the establishment of a fair and reasonable rooftop solar program. I ask the Commission to consider our comments in opposition to Dominion's proposal in making your decision in that case.

Fair and reasonable rooftop solar programs provide a way for customers to lower bills and access cleaner energy sources. The Energy Freedom Act provided for a state policy of promoting renewable energy investments and added consumer choice and protections, to ensure electricity customers were provided with options to lower their power bills.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Only if necessary
